Eagle Strike (Alex Rider Adventure)

Synopsis

Sir Damian Cray is a philanthropist, peace activist, and the world's most famous pop star. But still it's not enough. He needs more if he is to save the world. Trouble is, only Alex Rider recognizes that it's the world that needs saving from Sir Damian Cray. Underneath the luster of glamour and fame lies a twisted mind, ready to sacrifice the world for his beliefs. But in the past, Alex has always had the backing of the government. This time, he's on his own. Can one teenager convince the world that the most popular man on earth is a madman bent on destruction-before time runs out?

Customer Reviews

I loved this book. I have only read the Alex Rider series up to this book but out of the books I have read in the series, this was the best. There were barely any boring bits and it was impossible to put down. It is very exciting and it completely sucks you in. The story begins in the south of France where Alex and his friend Sabina are on holiday. While on the beach, Alex notices Yassen Gregorovich on a boat. Yassen, of course, is the ruthless assassin who killed Alex's uncle, Ian Rider. Although Alex has been seeking revenge, he decides to ignore him. The result was that the house Sabina's parents had rented was destroyed in an explosion and Sabina's father had been almost killed. Alex was sure that he was the target, so he sets out to find Yassen. Alex gets on to the boat after beating up one of Yassen's accomplices and finds a gun. He comes face to face with Yassen but is unable to kill him. Yassen then captures Alex and forces him into a bull fight. Alex manages to escape and dials the number that Yassen had dialed before Sabina's house had been

destroyed. He is shocked to find that the person on the receiving end is Damien Cray. Damien Cray is the world's most popular pop star and has done many things to save the environment and other people. Cray despises drugs and tries his best to save the environment. His latest project is the gameslayer, a video game console that is extremely powerful. So naturally, Alex is shocked to find that his number was dialed by a contract killer. Alex goes to MI6 to convince them that Damien Cray is not who he seems to be but they dismiss his case. Determined, Alex, along with Jack, tries himself to bring Cray to justice.
