Customer Reviews

This product would have been better if it continued to offer the book for the kindle rental. Students

don't need it all year long and it a waste of money to do so. I feel like they are just money hungry.

Text book is in excellent shape and the material is excellent as well.

Book is not insightful and seems to be more of a money pit than something informative.

Excellent condition. Just as I expected. I am teaching from this book nowadays.

A very good book with a focus on advertising.

not great book but needed it for school.

Very easy read and taught me a lot.
