## Synopsis

Kadence Mulligan's star was rising. She and her best friend, Lauren DeSanto, watched their songs go viral on YouTube, then she launched a solo career when a nasty throat infection paralyzed Lauren's vocal chords. Everyone knows Lauren and Kadence had a major falling-out over Kady's boyfriend. But Lauren knows how deceptive Kadence could be sometimes. And nobody believes Lauren when she claims she had nothing to do with the disappearance. Or the blood evidence. As the town and local media condemns Lauren, she realizes the only way to clear her name is to discover the truth herself. Lauren slowly unravels the twisted life of Kadence Mulligan and sees that there was more to her than she ever knew. But will she realize she's unknowingly playing a part in an elaborate game to cover up a crime before it's too late?

## Customer Reviews

4 stars \*Missing YouTube sensation. Friend with possible motive. Former stalker-turned-enemy-turned-reformed hunky dude. Plus a town willing to convict people based on no evidence and only the slightest bit of gossip (sounds like most towns, doesn't it?). Throw all of these ingredients (plus a whole lot of drama and secrets) together, and you've got GIRL LAST SEEN. GLS is a fast-paced, thriller of a read. The cover is supposed to be the missing YouTuber (and main character, Lauren's best friend) Kadence. Honestly, if I chose to read a book based on the cover, I would have never read GIRL LAST SEEN. Don't make this mistake! READ THIS BOOK. You'll be so glad you did! But back to Lauren. Lauren is your classic confused, antisocial

artist type, who, after a freak accident with some food, loses the ability to sing. Kadence is the one in their duo who keeps on performing. (And not just on stage—her entire life is basically a performance.) She's a manipulative, crazy psycho. Or is she? The further into GLS, the more confusing it gets. There are times you'll feel you're SO SURE what's caused Kadence to disappear (or at least WHO caused it); and no sooner are you fully confident that you've figured out who the REAL enemy is (AHA YEP I KNEW IT!), you're thrown into someone else's head and immediately begin doubting that decision. Speaking of being thrown into someone's head, we get to be in not only Lauren and Kadence's brains, but Kadence's boyfriend, Mason's, and also Jude's! Jude is Lauren's former best friend who turned stalker-ish years prior and has only come back again very recently. He adds a different dynamic to the entire storyline—past and present—and was definitely my favorite character. He was mysterious, he was dark, he was confused.
