Bully Free® Card Game (Bully Free Classroom®)

Synopsis

When learning is fun and interactive, kids are more likely to retain key ideas. This Crazy Eights® style game asks kids to respond to questions about bullying; they get rid of cards (and move closer to being "bully free") by offering reasonable suggestions. Meant to be played with adult supervision, the game includes an insert with rules and basic anti-bullying concepts. Pack of 60 cards with 12-page fold-out insert.

Customer Reviews

For my group of middle school students who need help in pragmatics, who also just happen to love to play Uno, this game is perfect! Plays just like Uno. It sparks some very interesting conversation about how to react in social situations at school, and gives us a most valuable tool. I love it because it's compact and easy to play, and keeps even middle-schoolers engaged.
