# Mastering The Reimbursement Process (Billing And Compliance)

Synopsis

Revised and updated with more than 200 pages of new information, this outstanding provides a solid educational foundation of the principles of the reimbursement process from start to finish. It is not a book on how to code, but how to communicate effectively with third-party payers. Mastering the Reimbursement Process offers a comprehensive understanding of insurance basics, types of insurance and payers, coding systems, insurance processing, review and appeals, and several extensive appendices of related information. An excellent reference to guide users through the reimbursement process from start to finish.
