Small Changes, Dynamic Results! Feng Shui For The Western World

Synopsis

If you're overwhelmed by the seemingly complicated books on Feng Shui, this is the guide for you! Small Changes, Dynamic Results! Simplifies and demystifies the ancient art of Feng Shui by integrating proven traditional methods with a practical and easy-to-understand Western approach. It shows you how to create meaningful, positive changes in your life by shifting your home and/or work environments. These simple adjustments produce powerful results that will increase your prosperity, improve health, boost your career, and positively affect every area of your life.

Customer Reviews

This book is short and leans heavily away from theoretical explanations. Instead, it is oriented towards getting started in a number of doable ways and really feels much more empowering than most self-help books. This may not answer all of your feng shui questions, but it gets your feet wet. I have not worked through all of the practical advice yet but I can see that it has increased my interest in feng shui as a result. I have already loaned the book to one friend and I am planning on buying a couple more copies to give as gifts.

Really enjoyed this book, it puts everything into perspective so easy to read and understand. Lots of practical & sound advice that really do bring positive & satisfying results, see Chapter 7. Hope to finish it but I've been so busy since making these small adjustments!!!! too will be purchasing more copies for gifts. Thank You Erica

This little book really makes feng shui easier for beginners to understand. Really liked the room by room tips.

My purchased book arrived safely in good packaging on time, as promised. I am a very satisfied customer & would use this vendor again.
