Mechwarrior: The Battletech Role Playing Game

Synopsis

MechWarrior includes the rules and other game information necessary to role play the men and women who pilot these monsters of destruction. Lists of skills and equipment, as well as extensive rules for personal combat are provided. Also included is substantial background information on MechWarriors and their 'Mechs and on the Successor States and their endless wars. Descriptions of each major house, its leaders, major planets, and its best regular and mercenary 'Mech units provide the beginnings of endless adventures and campaigns. There are also enough facts and figures to run a mercenary unit, including extensive mission tables and: random encounter events. The information on titles and nobility - the goal of every MechWarrior - describes land holdings and, more importantly, annual revenues collected by typical holdings. The most spectacular section of MechWarrior is the 16-page full-color section illustrating some of the uniforms and equipment used by major houses and mercenary units.

Product Dimensions: 10.7 x 8.2 x 0.2 inches

Shipping Weight: 12 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #460,156 in Books (See Top 100 in Books) #22 in [Books > Science Fiction & Fantasy > Gaming > Battletech](#)

Customer Reviews

Mechwarrior is not an ordinary book, it is a role-playing adventure. You must create a character and then you have a whole futuristic world to explore on your own freedom. You can massacre, fight in a heroic war, be a field medic, an interplanetary trader or whatever you ever wanted to be but never could. I recommend this for above the average intelligence person, and this book is worth the money for sure!

Book was in fantastic condition at the time of arrival. Now if only the cats hadn't knocked it into water. Oh well, such is life.~

Just what I was looking for
