# Black Bears 2017 Wall Calendar

## Synopsis

The highly adaptable and secretive black bear ranges throughout North America including at least 40 of the United States. These twelve superb full color photographs feature black bears in their natural environment. The large wall calendar format includes daily grids that provide ample room for recording appointments, birthdays and jotting personal reminders.

## Customer Reviews

This calendar has nice size grids to write in your itinerary, national and international holiday listings, as well as the moon phases. It also has July-December 2016 at the beginning on a smaller scale to write your itinerary. Each month has a grid with the previous and following month's days. The pictures of black bears are very cute--they look like they are enjoying life. If you love black bears, I recommend this calendar.
