This has become my go-to gift for my daughter's tween friends. It's full of color and fun things to do. Girls (and I am sure some boys) can learn about themselves, discover meaning, and feel proud of who they are! It's small in size so easy to take along in a purse or backpack and really can't go wrong on the price of this. I've bought others but this one is the best hands down!

such a cute journal for any girl. would make a great gift. got this for my 9 year old and she has really enjoyed filling it in. will be ordering another one for my 7 year old, great for them to keep to look back on when they are older.

This is such a fun way to have your girls feel this out and be able to look back on it. My daughter sat with me and asked me questions and had me help her. She is 9 years old and enjoyed it so much, she asked me to get my 6 yr old one. It's not only about her, but her family.

My 7 year old daughter loves this book. It's very cute. Pages and pages of all kinds of questions they can answer.

Not a regular diary, but my granddaughter did seem to like it somewhat

My Daughter Loved it...!!
