Customer Reviews

I got this as a gift and I loved taking all the quizzes it, they're just fun. I really liked the writer's advice. My friends all took them too and we had a lot of fun. I think we took them all in one sitting and then we wanted more.

I was very disappointed with "The Quiz Life" because it was not obvious from the product ad that the book is geared for young readers (junior high to high school, in my opinion). Even considering that age group, I thought it sorely lacked interest. It seemed to have been written in a half-hour time frame. I'm sorry that I cannot give it a better review, as I love quiz books in general. Maria A.
