Polarized Light Microscopy

Synopsis

Book.

Book Information

Hardcover: 251 pages

Publisher: Microscope Publications; 8th edition (December 1978)

Language: English

ISBN-10: 0250402629

ISBN-13: 978-0250402625

Product Dimensions: 11.3 x 8.5 x 2.2 inches

Shipping Weight: 2.6 pounds

Average Customer Review: 3.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #1,200,241 in Books (See Top 100 in Books) #79 in [Books > Science & Math > Experiments, Instruments & Measurement > Microscopes & Microscopy](#) #13701 in [Books > Science & Math > Physics](#) #278872 in [Books > Reference](#)

Customer Reviews

I am taking my first microscopy class and this text is far too advanced and difficult to understand. There are some sections that are helpful; however, my class notes give me a better understanding of the subject.

I purchased this along with 2 other books on the subject. Between the 3 I can figure most things out.
