Out Of Your Mind

Synopsis

In order to come to your senses, Alan Watts often said, you sometimes need to go out of your mind. Perhaps more than any other teacher in the West, this celebrated author, former Anglican priest, and self-described spiritual entertainer was responsible for igniting the passion of countless wisdom seekers to the spiritual and philosophical delights of Asia and India. Now, with *Out of Your Mind: Essential Listening* from the Alan Watts Audio Archives, you are invited to immerse yourself in 12 of this legendary thinker's pinnacle teaching sessions about how to break through the limits of the rational mind and begin expanding your awareness and appreciation for the Great Game unfolding all around us. Whether you're completely new to Alan Watts or familiar with his work, here is a rare opportunity to experience him at his best, improvising brilliantly before a live audience on *Out of Your Mind: Essential Listening* from the Alan Watts Audio Archives.

ASIN: B0162WIRKY

Best Sellers Rank: #4 in Books > Religion & Spirituality > Other Eastern Religions & Sacred Texts #25 in Books > Audible Audiobooks > Religion & Spirituality > New Age & Occult #42 in Books > Health, Fitness & Dieting > Alternative Medicine > Meditation

Customer Reviews

I don't mean to be irreligious with this title, obviously Alan Watts' CD's are not to be put on the same level as "The Bible" but as someone who has sought answers for most of my life, the set of CD's came as something of a godsend. This collection does an excellent job of covering the essentials of Watt's philosophies. Most of his books (if you get them) are more detailed reiterations of his lectures here (or more correctly these lectures are synopses of his books). If you enjoy having "mondo" or enlightening dialogue - these CD's are for you. In them Watt's personality comes across clearly and his philosophy rolls from him naturally. If you're not already familiar with Watts it's hard to describe what you're missing. What I can say is this collection is worth the cost. In it Watts speaks in a

manner that is recognizably truthful and attempts to present a new 'mythology' by which we can see the world as it really is. I can not recommend this too highly - I have listened to the entire 12 CD set more than 10 times. If nothing else it will help you sleep at night.

After reading the transcripts of his talks, I wanted to hear Watts' voice. There had to be more to what was being said than what could be seen in the page. With my assignments on Watts in college three decades ago, I had just given them a cursory reading for classes on Zen and Taoism. I never gave a lot of consideration about them until recently. Having listened to the CD's and my readings, I was surprised at how much my view points on life were either shaped by those writings or helped along. Like him, I was raised a Protestant. I was felt comfortable about Zen Buddhism because of Watt views. His Buddhism, though, is his own form of Buddhism because down to his bones Watt really is quite the Anglican. You won't understand that until you hear him lecture, his inflections or his jokes. Working through my third round of the CDs, I'm in awe of him. In these discussions he lays out the philosophical basis for the environmental movement. There is a discussion of Basho's poetry that makes me wonder how much impact he had in shaping Beat poetry then and our poetry now. There discourse on bits, bytes and nets that anticipated our digital world and information technology. He was much ahead of his philosophical contemporaries and spiritually unlike them he doesn't hide anything from his audience. What a fine mind and spirit he was. These CD's are worth the purchase. Eric Otto Cincinnati

Its hard to believe these lectures are 50+ years old. There is absolutely no sense of these tracks being dated in any way. I can listen to the same lecture/episode/track over and over again; like others, I just like listening to his voice. I was already familiar with AW as I used to have some of his tapes in my car in a previous era. Very few lemons in this bunch, in fact, perhaps only two or three out of the 100+ sections. Best investment I've made in some time. Its difficult to summarize the content. Perhaps a simple table of contents would be useful (sure wish would make a habit of publishing these!).

CD 1. The nature of consciousness, Part 11. Intro2. Our image of the world3. The myth of the ceramic construct4. The myth of the automatic universe5. A wiggly world6. A game that's worth the candle7. An independent system8. Whose game is it?9. The world as a drama

CD 2. The nature of consciousness, Part 21. Intro2. Being aware of awareness3. Captivated by the drama4. The game of hide and seek5. Consciousness beyond awareness6. How do we define ourselves?7. What it is to see8. The road to here9. A re-examination of common sense

CD 3. The web of life, Part 11. Intro2. What did you forget?3. A spontaneous life4. Seeing beyond our

separateness⁵. Intervals between what happens⁶. Existence as a function of relationship⁷.
 Understanding the unitive world⁸. An implicit agreement⁹. To be aware of the melody^{CD 4}. The
 web of life, Part 21. Intro². Web as mutuality³. The nature of selfishness⁴. A perfectly genuine act⁵.
 The sound of rain needs no translation⁶. What game would you like to play?⁷. Is it serious?⁸. An
 invitation to act^{CD 5}. The inevitable ecstasy, Part 11. Intro². Undifferentiated vs. differentiated
 awareness³. The marriage of an illusion to a futility⁴. The awareness of a baby⁵. The fallacy of
 misplaced concreteness⁶. The sensation of the happening⁷. Of pain and suffering⁸. Must life go on
 and on?⁹. A natural satori¹⁰. The aversion to death¹¹. The eroticism of pain¹². The spectrum of
 vibrations^{CD 6}. The inevitable ecstasy, Part 21. Intro². Seeing beyond the game³. A conspiracy we
 play on ourselves⁴. The illusion of the ego⁵, The meaningless life⁶. This is the game⁷. So what is
 the problem?⁸. Every incarnation is this one⁹. The state of nothing¹⁰. The line of least
 resistance^{CD 7}. The world as just so, Part 11. Intro². To say what can't be said³. Zen's appeal to
 the West⁴. Direct pointing⁵. The origins of Zen⁶. The golden age of Zen⁷. No mind, no
 deliberation⁸. Who are you?⁹. Disturbing confusions of the mind¹⁰. Who is the thinker behind the
 thoughts?^{CD 8}. The world as just so, Part 21. Intro². Escaping the tangle³. The in defines the out
 defines the in⁴. The Japanese Zen monastery⁵. Entering the temple⁶. Answering the koan⁷. Seeing
 past the illusion⁸. The decline of modern temples⁹. The truth of the birthless mind^{CD 9}. The world
 as self, Part 11. Intro². The totality of all being³. Awareness of the self⁴. The fundamental I⁵. Self
 as play⁶. The rhythmic dance⁷. Rules of the game⁸. The Hindu Yogas⁹. Western difficulty with
 Hindu mythology^{CD 10}. The world as self, Part 21. Intro². The human world as self³. Stages of
 citizenship in India⁴. Shedding the masks⁵. The limits of self-awareness⁶. The role of the trickster⁷.
 The journey to where you already are⁸. Fear of enlightenment⁹. The Yoga Sutra¹⁰. How not to use
 the mind¹¹. Gamesmanship in spiritual practice¹². A place for the hermit^{CD 11}. The world as
 emptiness, Part 11. Intro². The essence of Hinduism³. The Four Noble Truths⁴. The cause of
 suffering⁵. The Eight-Fold Path⁶. The Five Good Conducts⁷. Presence of mind⁸. A finger point at
 the moon⁹. The nature of change¹⁰. The mystery of change¹¹. Peaks and valleys go together as
 one^{CD 12}. The world as emptiness, Part 21. Intro². The Buddhist attitude of change³. Willing to
 die⁴. A happy death⁵. Raising the alarm⁶. The world as Void⁷. Voiding the Void⁸. Consider death
 now⁹. Thunderous silence

Some of the titles give a concrete idea of the content, others give no idea
 of the content, and others are just pure poetry and wordplay. How to say what cannot be said!

In general, recordings of Alan Watts lectures, even more than his books, convey his playful
 approach to his teachings. The rare gift of being serious and yet not being too serious is a rare

quality that makes his legacy enduring. This collection was mostly recorded on his houseboat, on his own turf so to speak. I have heard many hours of Alan Watts lectures from LP, tape, CD, and mp3 sources. In these "houseboat lectures" he is even more clear, lucid, candid, relaxed, and spontaneous than usual. Whether he is talking about cultural myths and approaches to how the universe was created to sex and a hundred other topics you just get the feeling you are in his living room talking to a bunch of friends and worrying even less than usual, if this is possible for him, about what the officials at a college lecture hall, ministers at a church, or a business conference center would think. This collection is superb in giving you the feeling of what it was like to hear Alan Watts in the most informal of settings. If you are a fan of Alan Watts this CD collection is highly worth the price. I do not know who dug up these recordings and edited them but they did a great job. Thank you.
