These books were brand new. The Left Behind Series has been a great read for me. I didn't know until I finished the first 13 books that there was a Prequel of 3 more books. I have one more book to read. I would recommend that anyone who wants another persons view on Revelations to read these books. This whole series of the Left Behind has really opened my eyes.

Loved the series. I couldn't but the books down and just didn't want it to end. I'm going to have to reread them!

As with the rest of the series, this does not disappoint! Just a great way to introduce the rest of the series!

Finished the first book in about 3 days, Spellbinding!!! Starting on the second today!. Great read, constantly on the edge of your seat. Definitely a page turner.
