# Enjoying True Peace (Yasmin Peace Series)

## Synopsis

After what seems like so many years of struggling due to the death of their big brother and their missing in action father; the triplets, Yasmin, York and Yancy finally see the light at the end of the tunnel. Mom has a great job, everyone's grades are up, they're all making new friends and have even gotten involved in afterschool activities. Now their father is back in the picture and it's smooth sailing from there, right? Wrong. Yasmin's father wants to prove that he can bring everyone back together, so he decides to move the family. As a result, the whole house is in an uproar. Though she's grown in her faith and learned quite a bit about hope, joy and love, Yasmin is challenged to continue depending on God to help her remain calm through it all and find peace in the midst of this new storm. Remembering that He's still there to comfort her, Yasmin sets her heart on trusting God and enjoying true peace.

## Customer Reviews

My daughter was apprehensive about reading this series. "Mom this seems boring", this only from looking at the cover. Now I can hardly pull her away. What I hear now, "Mom these books are awesome."

In the fifth book of the Yasmin Peace Series, Yasmin is in the ninth grade and enjoying her life. She has her boyfriend, Myrek, and her girls, Veida, Asia and Prelica. Her brothers, York and Yancey, are

being boys. They all are enjoying good grades and participating in extracurricular school activities. However, their world gets turned upside down in more ways than one. Their parents are getting back together and have decided to move the family from Jacksonville to Orlando. With that announcement, it seems like peace is escaping from the Peace household. As Yasmin deals with leaving Myrek and her friends behind, her brothers are dealing with leaving a sports program they are happy with. Although they are happy for their parents, their personal situations become very unhappy. Soon, the ninth grade involves more than they bargain for and life as a teenager takes on a more difficult role. Yasmin places her total trust in God to see them all through. ENJOYING TRUE PEACE is a very eloquent novel showing young adults how to deal with living a Christian life through all the ups and downs of living in this world. It is a fulfilling experience to read and feel Yasmin when she reaches the moment of total understanding where true peace and happiness come from. Stephanie Perry Moore is a wonderful writer, who is naturally talented in teaching young adults about Christian living without being preachy or overbearing. This makes for an excellent guide for youth groups. Reviewed by Brenda Lisbon of The RAW SISTAZ(tm) Reviewers
