# Alaska's Bears: Grizzlies, Black Bears, And Polar Bears

## Synopsis

Alaska is truly bear country. It is the only one of America's fifty states to be inhabited by all three of North America's ursine species: black, polar bear, and brown bear (also known as grizzly). Alaska's Bears is a handy guidebook to the bears of Alaska, a book that slips easily into a jacket pocket or a day pack, and that provides entertaining armchair reading when you're not in bear country. Here in one compact edition is a book that can help you understand Alaska's bears and their natural histories. Learn about their appearances, behaviors, yearly cycles, ecological niches, and relationships with humans. Find full details on how to visit Alaska's prime bear-viewing and get tips for traveling safely through bear country. Complementing Bill Sherwonit's text are photographs from longtime Alaskan Tom Walker, a premier wildlife photographer who has spent hundreds of hours in the company of bears.

## Book Information

Hardcover: 108 pages

Publisher: Alaska Northwest Books; Revised edition (May 13, 2016)

Language: English

ISBN-10: 1943328595

ISBN-13: 978-1943328598

Product Dimensions: 5 x 0.4 x 8 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)
