Customer Reviews

I wanted my kids to understand the author of Anne of Green Gables and also an understanding of the geography of Canada. Both of these goals were accomplished with this book. Grateful to have this book in my home.

I've never been a "Anne of Green Gables" fan, but after reading Andronik's beautiful story of Anne's creator, I feel I should give them a second chance. Andronik really knows how to describe a flaming spirit, even when it's locked behind bars!
