Wicca Book Of Spells: A Book Of Shadows For Wiccans, Witches, And Other Practitioners Of Magic

Synopsis

Do you want to start practicing magic? Not sure where to begin? Want a collection of spells that can transform and enhance your life? Then this is the book for you. *Wicca Book of Spells: A Book of Shadows for Wiccans, Witches, and Other Practitioners of Magic* contains a selection of spells that can be performed by all experience levels, and without the need for extravagant or hard-to-find ingredients. Written by best-selling Wiccan author Lisa Chamberlain, *Wicca Book of Spells* draws on the author's experiences as an active practitioner, providing a collection of forty spell frameworks that can be followed to the letter, or fully adapted to meet your needs. *The Foundations of Successful, Life Enhancing Magic*

When it comes to practicing magic, there are only two rules for you to follow. First, it doesn't matter how experienced you are, how much your ingredients cost, or how well you can remember and follow instructions. For success in magic, your state of mind is the most important factor – the most important factor by far. Successful magic comes from a place of calm centeredness and focused intent, so meditate, visualize, or do whatever it takes to get into the right frame of mind. Remember: it is ultimately your energy that's shifting the reality of the Universe, so shape it well and use it wisely! If you doubt that a spell will work, you've pretty much guaranteed that it won't. Approach it with anxiety, and you're likely to get mixed results or no results at all. A positive mindset is required at all times. Second, Wiccans – and many other traditions of Witchcraft – will only work magic for positive or neutral purposes, never seeking to harm anyone or anything. The spells in this book abide by this important rule at all times.

A Small Sample of Spells Included in this Book: New friendship spell. First date confidence charm. Releasing negative attachments spell. Job interview success spell. Successful business spell. Anxiety calming spell. Speedy recovery healing bath. Yellow infusion "pick me up" spell. Protection spell for pets.

In other words, *Wicca Book of Spells* contains everything you need to enrich your life in all the important areas – love and relationships, wealth and prosperity, and health and well-being.
