Southwestern Desert Life: A Folding Pocket Guide To Familiar Plants & Animals (Pocket Naturalist Guide Series)

Synopsis

The southwestern deserts are home to hundreds of species specially-adapted to survive in this hot, dry environment. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, trees, shrubs, wildflowers and cacti. Also includes a map featuring prominent nature sanctuaries. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike.

Made in the USA.

Customer Reviews

This booklet is overvalued and overprices. In spite of the fact that it is laminated and will last a significant time in the field, the lack of information and details about the habitats preferred by various plants was extremely disappointing.

great
